

Neston Company of Archers 252 Award Scheme

Now you've completed the beginners course and have joined the club you can now join the Club archers and shoot at Club sessions. Many of the archers have been shooting for a long time and will be shooting at the longer distances. Don't be tempted to try and do this immediately. Developing your skills at the shorter distances first will help your development and will prepare you for shooting at the longer distances.

Neston Company of Archers has a Novice Award Scheme to help give you some structure and to enable you to recognize how you are improving.

The Novice Award Scheme is set to award novice archers with a badge at each attainment level. Awards will also be recognized in the clubs newsletter.

To achieve an award you must shoot 3 dozen arrows at the required distance in one session. Scoring is 5 zone scoring. Score sheets are attached. To achieve the award you must score a minimum of 252 points.

Once you have achieved this please hand in your form to the Club Secretary or the Records Officer.

The colours of the awards reflect the colours of awards schemes that are open to archers when they start shooting competitions (e.g. Fita Star, Rose awards).

Distance	Award	Date Achieved	Signed (Club Official)
20 meters	Neston White		
30 meters	Neston Black		
50 meters	Neston Blue		
60 meters	Neston Red		
70 meters	Neston Gold		

GNAS 5 Zone scoring

GNAS rounds are shot at distances of yards.

Scoring is 5 zone scoring which attributes a score to each colour band.

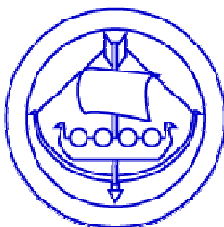

Gold: 9

Red: 7

Blue: 5

Black: 3

White: 1
